

2010 Joint Roundtable of the Aging and Health Issues Special Interest Research Groups of the International Association for the Scientific Study of Intellectual Disability (IASSID)

**MONASH UNIVERSITY PRATO CENTRE
PRATO, ITALY, 17-18 OCTOBER 2010**

[Active Aging for People with Intellectual Disability](#)

'optimising opportunities for health, participation and security in order to enhance quality of life as people age' (WHO, 2002, p. 12)

The Aging and Health Issues Special Interest Research Groups of IASSID are holding a joint Roundtable and invite you to join us in the picturesque medieval city of Prato at the heart of beautiful Tuscany from October 17th to October 18th 2010 immediately prior to the 2010 IASSID Europe conference in Rome. Prato is just 2 hours and 15 minutes from the centre of Rome by train.

Program and Power point presentations from Prato Roundtable
