The IASSID Congress and Membership Affairs Office is located in Room BO1 behind the Reception on Level 0. Matthew Janicki (IASSID Treasurer) and DiAnn Baxley will be available at times during the congress to deal with membership payments and related issues.

Un bureau sera ouvert dans la salle BO1 derrière l'accueil au niveau zéro pour répondre à vos questions concernant le congrès et les affaires courantes d'IASSID. DiAnn Baxley et/ou Matthew Janicki (trésorier IASSID) s'y trouveront durant le congrès pour vous aider.

On behalf of the ever growing network of people involved in the organisation, management and furtherance of IASSID activities, I warmly welcome you to this, the 12th World Congress of the Association. Since the Seattle World Congress in 2000, IASSID has expanded its individual membership and the number of well-established and active Special Interest Research Groups holding smaller but more frequent meetings has increased alongside this. With the inaugural conference of IASSID-Europe in 2002, and the prospect of a IASSID-Asia/Pacific Rim meeting in 2005 and the second European meeting in 2006, IASSID is now achieving my predecessors' aim for the Association to have a continuing rather than episodic role in supporting the dissemination of research internationally.

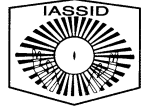

Nevertheless, the World Congress is a special event. It represents the sustained effort by a small organising group to bring together researchers from around the globe to contribute their scientific understanding of the many influences which shape the lives of people with intellectual disabilities and those close to them. The essence of the Congress is in the desire for exchange, to inform and to learn, which has brought you all here. Your participation and attendance defines the Congress and, for that reason, I am delighted to be able to greet you in such a great number.

Neil Ross
President, IASSID

Je vous souhaite la bienvenue à ce 12ème Congrès mondial de l' IASSID au nom de toutes les personnes responsables des diverses activités de l'association. Depuis notre dernier congrès à Seattle en 2000, nous avons pu réaliser les rêves de nos prédécesseurs au sujet de notre domaine: promouvoir la communication de nos recherches sur la déficience intellectuelle sur le plan international. Nous y sommes parvenus en augmentant le nombre de membres, le nombre des groupes de recherche (SIRG) et en multipliant les conférences régionales: IASSID-Europe à Dublin en 2002, IASSID-Asie/Pacific en 2005 et encore une conférence prévue pour 2006 par IASSID-Europe à Maastricht.

Un congrès mondial demeure une manifestation exceptionnelle. C'est le fruit d'un travail soutenu d'un petit groupe pour réunir les chercheurs et spécialistes des quatre coins du monde afin qu'ils puissent présenter leurs travaux scientifiques concernant les personnes ayant une déficience intellectuelle et leurs proches. Les buts de ce congrès sont triples: favoriser l'échange, informer et apprendre. Votre participation et votre présence sont déterminantes pour la réussite du congrès. Nous vous remercions d'être venus si nombreux.

Neil Ross
Président, IASSID

The majority of you attending this, the 12th World Congress of IASSID, have submitted at least one oral paper, poster or roundtable proposal. I thank you all for providing a breadth and depth to the programme, which almost perfectly matches the capacity of the venue. I received over 1,300 abstracts from about 950 separate contributors coming from 50 countries. I have lived with your names through multiple revisions of the Abstract and Programme Books, as well as several email circulations, and I welcome the opportunity to meet you all.

I welcome delegates who are not presenting a paper no less enthusiastically. Your contribution is as important to the sharing and cross-fertilisation, which is essential to science, and to the success of the Congress. At the time of writing, it was too early to know how many countries would be represented here, but Europe, North America, Australasia and the Pacific Rim are as well represented as usual, and IASSID is pleased to see and keen to find ways to reinforce the emerging involvement from Central and South America, Africa and Central Asia.

I too hope that you enjoy the Congress. In closing, I would like to acknowledge the invaluable assistance of the Programme Committee, Neil Ross, Stephen Kealy, Matthew Janicki, Glynis Murphy and Charles Aussilloux, who also headed the local organisation. I feel particular tribute should be paid to Neil, who despite having already organised one World Congress in Seattle, took on a responsibility for this one over and above the call of duty.

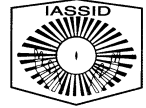

David Felce
President-elect, IASSID

La majorité des personnes présentes aujourd'hui pour ce 12^{ème} congrès nous a envoyé un résumé de leurs communications pour un symposium d'un séance parallèle, un poster ou d'une table ronde. Je vous remercie tous car ce sont vos efforts et vos travaux qui déterminent l'importance et l'intérêt de ce congrès. J'ai reçu plus de 1300 résumés de 950 intervenants différents de nombreux pays. J'ai revu vos noms à l'occasion de multiples révisions du programme mais aussi à travers vos courriels. C'est maintenant que j'aurai la possibilité de vous rencontrer en personne et j'en suis ravi.

J'accueille avec enthousiasme tous les congressistes, y compris ceux qui ne présentent pas une communication. Votre présence et votre contribution sont importantes pour l'échange et la confrontation des connaissances, ce qui est essentiel pour la science et essentiel pour le succès de notre congrès. Il est difficile de savoir avec exactitude le nombre de pays représentés mais nous avons des personnes venant de l'Europe, d'Amérique du Nord, de l'Australie et du Pacifique d'Afrique et d'Asie. Il est à remarquer que IASSID cherche maintenant la participation renforcée de pays émergents d'Amérique Centrale, d'Amérique du Sud, d'Afrique et d'Asie.

J'espère que vous allez profiter de ce congrès. Je voudrais remercier mes collègues pour leur aide importante et en particulier le Comité de Programme qui était constitué par Neil Ross, Stephan Kealy, Matthew Janicki, Glynis Murphy et Charles Aussilloux, qui a été aussi le Président du Comité Local. Je pense que nous devons remercier en particulier Neil, qui malgré le fait qu'il a déjà organisé le dernier congrès à Seattle, a assumé des responsabilités au delà de son devoir.

David Felce
Président-elect, IASSID

In the Venue (Le Corum): *Practical Details*

Registration and Information

The registration desk will be located on Level 0. It will be open from 10.00 on 14th June. There is a Reception and Cloakroom area also on Level 0. The hostesses at the Reception/Cloakroom and throughout Le Corum are there to help you and answer your inquiries.

Simultaneous Translation

There will be French/English simultaneous translation of the plenary lectures in the Auditorium Berlioz and of the parallel sessions in five of the rooms (Sully 1, Sully 2, Sully 3, Rondelet, Barthez). Delegates wanting to use the translation should collect the necessary headphones from the hostesses outside of the Auditorium Berlioz. You will be asked to deposit an identity card, passport or driving licence as security for the return of the headphones, so please carry one of these with you.

First Aid

There is a 24 hour security checkpoint within Le Corum which can give first aid before calling for emergency assistance. Please contact any of the hostesses.

Contacting Le Corum during the Congress

Contact can be made by phoning the IASSID Congress Office within Le Corum. Alternatively, contact can be made with Le Corum itself.

- Calling from outside of France, the number of the IASSID Congress Office is +33 4 67 61 66 64.
- Calling from outside of France, the number of Le Corum is +33 4 67 61 67 61.
- Calling from within France, the number of the IASSID Congress Office is 04 67 61 66 64.
- Calling from within France, the number of Le Corum is 04 67 61 67 61.

The co-ordinator for the conference is Claire Villemin-Liger. Messages can be given to her or to her colleague Léonor Castelnaud.

Messages

Messages can be delivered or picked up at the message board at the Reception Desk.

Public telephones

Public phones are located on Level 0 next to the Cloakroom (see the floor plan pp 33-34).

You can pay for your phone calls using your credit card.

Wheelchair Access

Le Corum is fully wheelchair accessible. The entrance is on Level 1. Lifts connect all levels. Please contact Congress hostesses for any necessary assistance.

Public Transport

The tramway stops very near to Le Corum and runs from 5:00 am to 1:00 am

Telephone Numbers for Taxis

Taxis can be obtained by calling 04 67 10 00 00. During the congress the Le Corum hostesses will be pleased to call taxis for you.

Restaurants

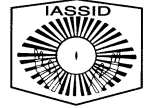

A list of 49 restaurants can be found on the Montpellier tourist office website at www.ot-montpellier.fr

Internet Room

There is an Internet Room (in room Tiberiade on Level 0) for your use which will be open from 8.00 to 18.00 pm every day of the Congress.

Press Room

The Press Room is located in room BO3 on Level 0 (behind the Cloakroom).

Au Corum: *Détails pratiques*

Inscription et information

Le bureau d'inscription est situé au niveau zéro. Il est ouvert à partir de 10.00 le 14 juin. L'accueil et le vestiaire se situeront également au niveau zéro. Des hôtessees sont dans le Corum pour vous aider et répondre à vos questions.

Traduction simultanée

Il y aura une traduction français/anglais et anglais/français des séances plénières à l'auditorium Berlioz ainsi que des sessions parallèles dans cinq salles (Sully 1, Sully 2, Sully 3, Rondelet, Barthez). Les délégués qui voudront utiliser la traduction simultanée devront demander les casques nécessaires aux hôtessees en dehors de l'auditorium Berlioz. Il vous sera demandé une carte d'identité, un passeport ou un permis de conduire que vous récupèrerez lors de la restitution des casques. S'il vous plait, munissez vous d'un de ces documents

Premiers Secours

24H/24 un PC sécurité peut vous donner les premiers secours avant d'appeler le SAMU. Prenez contact avec une des hôtessees.

Comment contacter le Corum pendant le Congrès

On peut téléphoner au congrès IASSID à l'intérieur du Corum. Sinon on peut établir le contact avec le Corum lui même.

- Pour appeler depuis l'étranger, le numéro de IASSID est: +33 4 67 61 66 64.
- Pour appeler depuis l'étranger, le numéro du Corum est: +33 4 67 61 67 61.
- Pour appeler depuis la France, le numéro de IASSID est: 04 67 61 66 64.
- Pour appeler depuis la France, le numéro du Corum est: 04 67 61 67 61.

La coordinatrice du congrès s'appelle Claire Villemin-Liger. Les messages pourront lui être transmis ainsi qu' à sa collègue Léonore Castelnau.

Messages

Les messages pourront être donnés ou reçus à l'accueil du congrès.

Téléphone public

Il y a des téléphones publics au niveau zéro à côté des vestiaires (regarder le plan à l'intérieur pp. 33-34). Vous pouvez payer vos communications avec votre carte de crédit.

Fauteuils roulants

Le Corum est accessible aux fauteuils roulants. L'entrée est au niveau 1. Les ascenseurs desservent tous les niveaux. Demandez aux hôtessees du congrès si vous avez besoin d'assistance.

Transports publics

Une station de tramway se trouve à côté du Corum. Les tramways circulent de 5h à 1h du matin.

Numéro d'appel des taxis

Vous pouvez appeler un taxi au 04.67.10.00.00 .Pendant le congrès les hôtessees pourront appeler des taxis à votre demande.

Restaurants

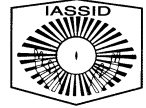

Une liste de 49 restaurants peut s'obtenir à l'office de tourisme. Le web-site est:www.ot-montpellier.fr

Salle Internet

Il y a une salle d'internet (salle Tiberiade, niveau zéro) que vous pouvez utiliser de 8.00 à 18.00 chaque jour du congrès.

Salle de Presse

Il y a une salle de presse dans la salle BO3, niveau 0 (derrière la vestiaire).

How to Use the Programme and Abstract Books

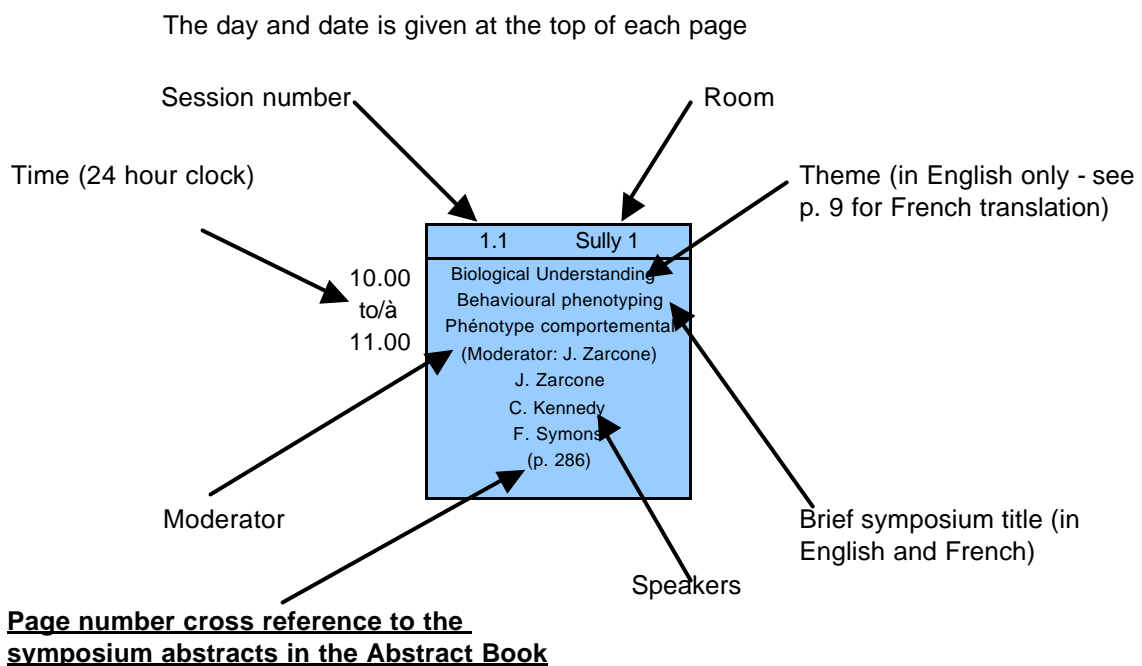

Apart from the Plenaries, the sessions in the Congress have been organised in 13 themes: Biological Understanding, Mental Health and Behavioural Development, Cognition and Communication, Physical Health and Profound Multiple Disabilities, Families, Education and Work, Community Living, Lifespan and Ageing, Quality of Life, Individual in Society, Populations and Service Systems, Environment, and Science and Research Methodology.

There are 20 parallel sessions for oral presentations (and a 21st for posters) from Tuesday onwards. Simultaneous French/English translation is available in five of the oral presentation parallel sessions (in Sully 1, Sully 2, Sully 3, Rondelet, Barthez). All presenters who come from French-speaking countries have been allocated to these sessions, together with a representative sample of other symposia or roundtables from all of the themes. In both the 5 rooms with translation and the 15 without, sessions on the same theme follow on from each other in the same room throughout the Congress as much as possible.

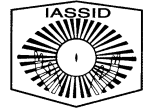

The schedule of sessions across the six days of the Congress is set out in the **Programme Book** on pages 9-27. The Programme Book also contains two indexes, listing the moderators and presenters for all of the sessions. Using these can tell you who is doing what in which session.

The **Abstract Book** is a double issue of the *Journal of Intellectual Disability Research*. It contains 14 sections, relating to the plenary presentations and 13 themes. The plenary presentation abstracts come first and the themed sections follow in the order in which they are listed above. In each themed section, the abstracts for two oral paper symposia or roundtables are generally set out on one page under the symposia or roundtable titles (unless there are both French and English versions of the abstracts, where there will usually be only one per page). Abstracts for oral sessions are then followed by the poster abstracts for that theme arranged in alphabetical order by the first author's name.

The schedule (pp. 9-27) in this **Programme Book** gives the following information:

An **Index of Moderators** and an **Index of Presenters** follows the schedule. Both use the format of surname followed by session number (or numbers if the moderator or presenter is involved in more than one session) (e.g., Abbeduto 14.2)

**Mode d'emploi du programme et du livre des résumés**

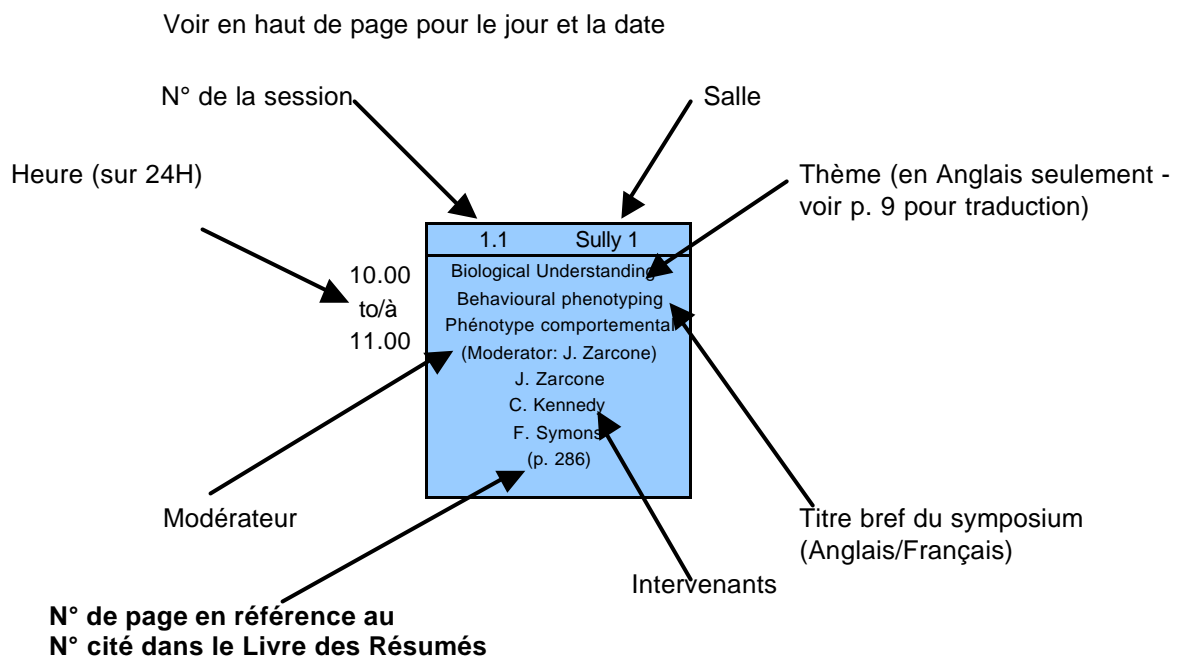

Les séances plénières mises à part les sessions du congrès sont organisées autour de 13 thèmes: biologie, santé mentale et développement du comportement, cognition et communication, santé physique, polyhandicap, les familles, l'éducation et le travail, la vie en société, vieillissement, qualité de vie, la personne dans la société, les populations et les services, l'environnement, la méthodologie en science et en recherche.

Il y a 20 sessions de présentation orale (21 si l'on compte les posters) à partir de mardi. Une traduction simultanée Français/Anglais est disponible pour 5 sessions (dans les salles Sully 1, Sully 2, Sully 3, Rondelet et Barthez). Tous les intervenants venant des pays francophones ont été répartis dans ces cinq salles. Un thème particulier et spécifique à chaque salle y sera traité. Eventuellement d'autres thèmes pourront y être abordés. Dans les 15 autres salles de sessions parallèles un seul et même thème est présenté par salle et ce en grand partie pendant la durée du congrès.

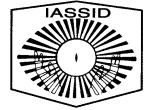

Le planning des sessions pendant les 6 jours du congrès se trouve dans le **Programme** (pp. 9-27) Ce livret contient 2 index: une liste des modérateurs et une liste des intervenants. A l'aide de ces index vous pouvez savoir qui fait quoi et dans quelle session.

Le **Livre des Résumés** est constitué de deux numéros du *Journal of Intellectual Disability Research*. Il contient 14 sections en rapport avec les séances plénières et les 13 thèmes. Le journal s'ouvre sur les résumés des séances plénières et les sessions par thèmes dans l'ordre énoncé ci dessus. Dans chaque section à thème les résumés des 2 symposia ou tables rondes sont généralement présentés sur une même page sous le titre du symposia ou de la table ronde (sauf s'il existe des versions françaises et anglaises des résumés auquel cas il n'y a en aura le plus souvent qu'un par page). Les résumés des sessions orales sont suivis des résumés des posters, traitant le même thème, classé par ordre alphabétique du nom du premier auteur.

Le planning (pp. 9-27) du **Programme** donne les informations suivantes:

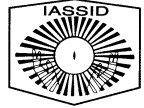

Un **Index des Modérateurs** et un **Index des Intervenants** suit le programme. Tous deux suivent le schéma suivant: nom de famille suivi du N° de session (ou numéros si les Modérateurs ou les Intervenants sont impliqués dans plus d'une session (exemple Abbeduto 14.2).

Invitation to Attend

Call for Papers

Inaugural Congress of IASSID-Asia/Pacific

Vision, Culture, Policy and Practice

June 12-15, 2005

at the

Howard International Guest House Conference Hall

Taipei, Taiwan

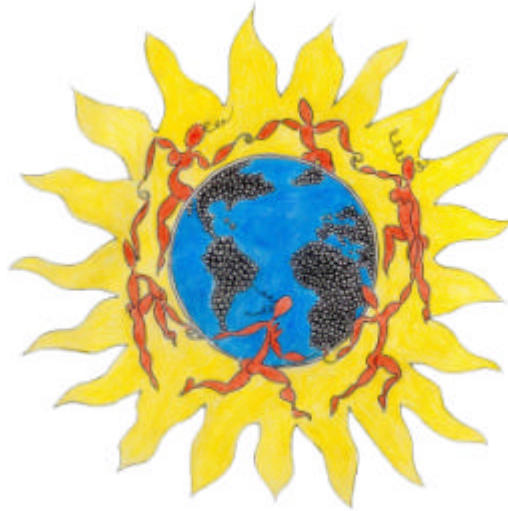

Submission of abstracts (see www.iassid.org for instructions):

Please send an electronic copy to: Lisa@sw.ccu.edu.tw. Please also submit a paper copy to Dr. Kuo-yu Wang, Department of Social Welfare, National Chung Cheng University, 160 San-sing, Ming-hsiung, Chia-yi, Taiwan, R.O.C.

Deadline for abstract submission: February 1, 2005

This Invitation is issued by the IASSID-Asia/Pacific Local Organizing Committee and National Chung Cheng University, the Special Education Association of Taiwan and the Taiwan Social Welfare Association.

The Conference is sponsored by the National Science Council of Taiwan, Executive Yuan, Ministry of Education, Executive Yuan and the Ministry of Interior, Executive Yuan.

The artist who designed the logo for the 12th IASSID World Congress is **Dominique Maraval**. He was born in Béziers on February 28, 1948 and now lives and works in Paris. He began as a technician in electronic and computer design graphics before turning full time to painting and sculpture. He has participated in several exhibitions and his work has been shown in many galleries throughout the world. He has painted some rather spectacular 'trompe-l'oeil' paintings on monuments and in public places. Dominique has also written and produced three short films. It is quite fitting that an artist born in Occitanie be the designer of our logo.

Other recent works are shown below. Visit <http://www.artotal.com/crea/maraval.htm> for further information.

Dominique Maraval a créé le logo du 12ième Congrès Mondial d'IASSID. Il est né à Béziers le 28 février 1948 et actuellement habite et travaille à Paris. Il a travaillé en tant que technicien en dessin graphique et électronique assisté par ordinateur avant de se consacrer à la peinture et aux arts plastiques. Ses œuvres ont été exposées dans plusieurs galeries et musées à travers le monde. Il a également peint de fabuleux tableaux muraux en trompe l'œil sur des monuments et places publiques en France. Dominique a aussi écrit et réalisé trois court métrages. Il est heureux qu'un artiste né en Occitanie soit le dessinateur de notre logo.

Pour plus de renseignements concernant ces travaux récents voir: <http://www.artotal.com/crea/maraval.htm>

Simultaneous translation at the congress was co-ordinated by Sarah Combette-Molson with support from the Fondation Jérôme Lejeune.

La traduction simultanée du congrès a été co-ordonnée par Sarah Combette-Molson avec l'aide et le soutien de la Fondation Jérôme Lejeune.
