

## **STEVENS-SHAPIRO MEMORIAL FELLOWSHIP IASSID**

This Fellowship has been established as a tribute to the memory of the late Harvey Stevens, co-founder and first President of the IASSMD, and the late Alexander Shapiro, co-founder and second President. The name of the Association changed to become IASSID. The fellowship is open to young researchers, under 30 years of age, who are actively involved in the field of intellectual disability.

### **MENCAP FELLOWSHIP**

The MENCAP association U.K. offers a fellowship to young researchers, under 30 years of age, from developing countries. Application forms can be accessed on the website [www.iassid.org](http://www.iassid.org). In completing the application form for a Fellowship be sure to also complete an Abstract Presentation Form for presentation at the Congress. By completing the Abstract Presentation Form, successful applicants can be included in the Abstract Book, given the tight printing time lines.

Applications are to be forwarded to Vice-President – IASSID by November 30th. 2007
